§53-177(2) If a proposed location for the sale at retail of any alcoholic liquor is within 150' of any church, a license may be issued if the commission gives notice to the affected church and holds a hearing as prescribed in §53-133

The plain, ordinary, and popular meaning of the word "church" includes a building in which people assemble for the worship of God and for the administration of such offices and services as pertain to that worship, a building used predominantly for the honor of God and religion, and a place where persons regularly assemble for worship. A building which is used predominantly for the honor of a religion would likewise include buildings in which people assemble for non-Christian worship, such as a mosque, a synagogue, or a temple. *City of Omaha v. Kum & Go*, 263 Neb. 724, 642 N.W.2d 154 (2002). Distance between church and place where intoxicating liquor is sold is measured in a straight line between the nearest walls of the two buildings. *Calvary Baptist Church v. Coonrad*, 163 Neb. 25, 77 N.W.2d 821 (1956).
