### **RENEWALS:**

We are in the process of mailing the Non-Class C renewals to your office for distribution. If you find that you are missing one or have received one in error, please let us know as soon as possible.

Please be sure to make a copy of renewal form(s) in case someone would be in need of a duplicate form.

### **SPECIAL DESIGNATED LICENSES:**

The amount of SDL applications are rapidly increasing for 2015. Please promote on-line payment through our Pay-Port link on our website as well as the SDL calendar. Both caterers and non-caterers are welcome to fax or email their applications in order to not rely on the mail system to get the applications into our office on a timely basis. It is the applicants responsibility to make sure applications are received according to the 10-day rule.

Special Designated Licenses will be processed and mailed according to event date. Please do not be alarmed if the SDL license is not mailed as quickly in the months to come as in the winter months.

### **Please note:**

*Our office will be closed February 16, 2015 in observance of Presidents Day.*
