

NEBRASKA LIQUOR CONTROL COMMISSION

RENEWALS NON-CLASS C:

Below is information on the process of how the printing and mailing of the renewals will go from this date forward:

All licensees that renew between April 1 - 15:

These licenses will print the 15th of April and will be mailed to you at that time.

All licensees that renew after April 15:

These licenses will be mailed from our office daily to you.

If you wish to check to see if a licensee has renewed, you may search the licensee at this link:

https://www.nebraska.gov/nlcc/license_search/licsearch.cgi

For best results in searching for a licensee, please enter **Retail** for category and then license number (6 digits only).

Once you've found the licensee, scroll to the bottom in the history box. If you find in "Description: RENEW APP" with an effective date after February 2017, you will know that they have renewed. If no "RENEW APP" shows for 2017, they have not renewed in our system.

SPECIAL DESIGNATED LICENSES:

As a reminder, Form #108 is no longer allowed. All applications will need to be submitted on the portal. Below is a link to the SDL home page for all of the instructions and forms.
