Special Designated License Form #200:

Please assist us with making sure applicants are using the updated Form #200. Since we are no longer using DocuSign, this updated form incorporates the authorized signature required,

Also, the City/Village or County section underneath the Clerk's signature on this form should only have **your City or Village or County** listed. We sometimes see that Clerks are putting both. This has caused trouble in mailing and unnecessary phone calls.

Thank you so much for your assistance.
