

BILL OF LADINGS

See SAMPLE for matching LETTERS

A Bill of Lading is an important document when a manufacturer is shipping product Out of State (OOS) because a relief of taxable product is provided for State Excise Taxes on reports submitted to the Nebraska Liquor Control Commission. For each OOS shipment, a sales invoice and Bill of Lading is required to be submitted.

On the Bill of Lading....

- A. Sales Invoice number must be provided
- B. Date of the shipment
- C. Weight of the shipment
- D. Volume in Gallons is encouraged
- E. Total # of kegs/cases
- F. Detail of packaging – Pkg size, description, Qty, Weight
(therefore, confirmation of gallons is possible)
- G. Customer & address, Shipped to location (if different)
- H. Comments (if delivery is adjusted or any reason, signature issues, billing issues)
- I. Other charges
- J. Carrier name documented
- K. Number of Pallets documented
- L. 2 Signatures: Shipper/Receiver (required)
Prefer: additional dates of signature

Please contact nlcc.craftfarmmicrodesk@nebraska.gov if you have any questions regarding submission requirements. (402) 471-2895
