# INSTRUCTIONS FOR SUBMITTING TRAINING DOCUMENTATION & FEE PAYMENTS

## ALCOHOL SERVER/SELLER TRAINING:

Training is not mandatory in Nebraska at this time. Training for management and staff is strongly encouraged as part of new hire training and ongoing staff education. Certification of completing an approved training program with our office is voluntary, with the following exceptions:

- Local training ordinances:
  - The city of Lincoln has its own alcohol training and alcohol server/seller permit program and requires training for managers; see FBST/rbst & RHC websites;
  - The city of Kearney requires servers/sellers to complete one of the training programs from the attached list;
  - Nebraska City/Otoe County and the cities of Ogallala and North Platte have local training requirements. Check with the clerk's office for details; and
  - Check with your local city and county clerk's offices for any training requirement and specifics of any requirement.

The NLCC may require training as part of the licensing process and may request that the owner(s), partners or corporate officers/LLC members & manager on the application complete one of the training programs when there is insufficient experience selling alcohol in Nebraska. Additionally, in the event of a violation, all staff & management may be required to complete a training program as part of a commission order.

To register your training with our office, submit a copy of the course completion documentation received from any of the training programs on the attached list and a \$15 per person processing fee.
