

A license application is available online at:
<https://lcc.nebraska.gov/licensing-forms>

Distilling for personal use is illegal in the State of Nebraska 53-1,100 (2)
“Any person who manufactures spirits at any place within the state without first obtained a valid license to do so under the act shall be guilty of a Class I misdemeanor for a first offense and a Class IV felony for a second or subsequent offense.”

To legally produce spirits for resale you must have a valid Nebraska Micro Distillery License and be licensed by the US Department of Treasury – Alcohol and Tobacco Tax and Trade Bureau (TTB) as a DSP. For more information on TTB, their Web Site is
<https://www.ttb.gov/>

*Please review closely trade practice regulations Chapter 6, 016.

*Production Records are vital. Source documents must be retained. Batch/distilling sheets must be sequentially numbered & preprinted and ending quantities identified.

*Base ingredient invoices must be retained.
